No Talk, But Plenty Of Action For Vivian Alise!

Dear XL Girls,

I haven't written in many months, but I had to write today to answer R.G.'s comments in XL Girls #122. XL girls in hardcore action (still photos or videos) are NOT a waste. There's nothing like watching a big woman do the nasty things that many people think only their skinny sisters can or will do. Please, keep on bringing us more XXX-Rated hardcore.

Your recent issues have included some fabulous BBWs who I want to see in hardcore action—Tia Imea, Vivian Alise (let's find out if she's as much action as she is talk!), Trixie, Miranda and Evzenie would be excellent. Don't forget LouLou and Sweety if you can get them to return for hardcore. And if you can get Scarlett and Deja to go all the way for us, that would be awesome.

Keep up the great work you do on XL Girls and Voluptuous.—A.L., Los Angeles, California

Dear A.L.: As you can see, XL Girls #122 cover-chick Vivian Alise can sure back up her words. These are DVD outtakes from her XXX-rated hardcore video debut, Thick Chicks On Dicks, which you can get your horny hands on by turning to the Video Club on page 98. Trust us, this is one gal who may talk a good game, but man, can she back it up!

Yep, XL Girl Sarah Mercury (kick ass issues #110 and #122) is one messy eater, but we wonder, is anybody out there complaining?

The Sexiest (And Messiest) Model Ever!

Dear XL Girls,

the right places. I would like

Will Control

I wish to thank you for the pictures of Sarah Mercury in *XL Girls* #110 and #122. I love the pictorials Sarah has done over the years for *XL Girls* and *Voluptuous*. In my opinion, she is the sexiest model I have ever seen, her table manners notwithstanding!

I've heard that Sarah has retired from modeling. That is why I was so surprised to see her in her food splodging pictorial. Sarah really is a beautiful, sexy gal with curves in all to see her pose more in bra and panties, and I think she would look great in a maid's outfit. Then again, the sight of Sarah totally nude or wearing only high heels is a complete turn on. I just wanted to get the message out. Thanks for a great magazine and for showing more of Sarah.—P.S., New York

Dear P.S.: Sorry to be the bearer of bad news, but Sarah Mercury has in fact retired. The splodging pictures you referenced were, in fact, her final photos.

How hot is *XL* cover girl Vivian Alise? Take a look for yourself from her hardcore debut, *Thick Chicks On Dicks*.

Can There Ever Be Too Much Of A Good Thing?

Dear XL Girls.

I wanted to write in and voice a complaint. I have been a long-time *Voluptuous* reader who buys *XL Girls* because it is published by *Voluptuous* and professes to feature the type of woman I like–naturally busty, very curvy, an ass to die for and a pretty face.

Women like Deja, Scarlett, Vivian, Kerry Marie, Samantha–they're all perfect. However, when you start going overboard with the Tia Imea's and the Trixie's of the world, *XL Girls* ceases to become a *Voluptuous*-type magazine and instead becomes a fatty mag. Mind you, I mean no disrespect to the supersized women, whom I'm sure are quite lovely in person and whom many men enjoy. I just feel they are too big for *XL*, the magazine's name notwithstanding.

I know a lot of guys are going to rip me for this one, and they are entitled to their opinion. I just wanted to voice mine and give fellow readers a chance to respond.—D.R., Miami, Florida

The #1 All Plump! All Stacked! Photo Library!

Dear XL Girls,

I don't normally write to men's magazines, even though I have been reading since the middle '80s. However,

when I opened *XL Girls* #122 at my local video store and saw pictures of Ildiko, I knew that the second thing I would do would be to write you guys.

I did the first thing on the way home in my car. That's how hot Ildiko was (and still is) for me.

I remember Ildiko when she appeared in *Voluptuous* in the mid-'90s and from before *Voluptuous* was published when she appeared in another big-bust magazine in the '80s. She was always one of my favorites, and I feared that with her retirement, I would never see her pictures again.

Thankfully, I was wrong. Feel free to run as many Ildiko photos as you want. Nobody will ever complain.–J.C., Houston, Texas

Dear J.C.: We have plenty of vintage photos featuring all of the legendary plumpers. It's a little luxury we like to call...The Voluptuous/XL Photo Library. Simply put, nobody has more pictures than we do. If any reader has a legend they would like featured, please write Weighing In.

involves my wife's sister and the glorious sight of her full, naked body after 15 years of seeing her clothed.

My dilemma is that this story is too long for a letter. It truly belongs in XL, but I haven't seen much in the way of articles outside of the Reader's Forum.

If I sent it to you, would you consider printing it? I'm dying to tell everyone I can about it, even though I'm forced to change the names for fear of my wife killing me.-D.W., California

Dear D.W.: If the story is hot, why the hell would we not publish it? Although we don't have a "confessions" section, we sure could start one if more readers send in their stories. Mail it to Weighing In and our editor will take a look and contact you.

One of the luxuries of having the biggest, bustiest, photo library in the world is showing exclusive photos of legends like Ildiko. Got a fave? Let us know and we'll do all we can to make the magic happen.

In Hawaiian, it means

"chubby flower," but for this native island boy, this hot, horny plumper was much more than that. She was his "Noelani"...beautiful girl from heaven.

By Jackie Luther Illustration By Otis Sweat

the steps off the plane on to the Hawaiian tarmac. "Ahh...Kauai, the island of my birth," I thought as I inhaled the sweet fragrance of the air. My name's Noelani, which means "beautiful girl from heaven" in my parent's language. My family moved to New York when I was a baby, and although I have no memories of this garden paradise, my father instilled in me a yearning for this wonderful land. The sun was just setting, filling the sky with a purple-orange glow as I accepted the lei placed over my head by the lovely stewardess. I couldn't wait to get to the resort, take of all of my clothes and lounge naked on the private lani, a Hawaiian porch, in my hotel room.

I love being naked. Just the thought of it makes me wet. Maybe it has something to do with my blood, because I know my ancestors wore as little clothing as possible. My measurements (38DD-33-40) are considered quite voluptuous, and being voluptuous in NYC is just called being fat. But I do love my body, and I don't care what anyone thinks.

My skin is soft and always sweet smelling. And in Hawaii, my ample, lush flesh would be welcomed among the island natives, along with my long, honeybrown hair and cafe au lait skin. Well, that's what my Papa told me anyway.

"Go have fun," he said to me. "Fall in love, find a nice Hawaiian boy!" Oh yeah, I'd find myself a nice, Hawaiian boy. At 23-years-old I was hot, horny and ready for just about anything.

The Poipu Beach Resort was as gorgeous as the pictures in the brochure. After I unpacked, I shed all of my clothes and walked out onto my private lani, which was surrounded by palm trees and flowering hibiscus bushes. It was late, and I was tired. I lay my body on the chaise lounge and closed my eyes. The cool breeze

caressed my body, and despite my fatigue I felt the first stirrings of arousal. I placed both of my hands on my bare breasts, and it felt so good. I imagined they were a lover's hands and pinched my nipples, rolling them between my thumb and forefingers. Each time I did that an electric jolt ran down my body and into my pussy.

My breasts are big, and they hang low due to their girth. The areolae of my nipples are darkly tinted and pucker up enormously when I'm excited. I wanted a man on me right there and then, and thought of him licking me-bathing my hot titties with his saliva. I looked down at my body, at the luscious rolls of skin that rippled each time I bucked up off the lounge. I felt empty inside, and I brought my feet up. I let my legs fall apart and stuck two fingers inside my cunt and placed my thumb on my clit. I kept my gaze on my pussy, on the fat brownish skin of it and the juicy redness within. Oh, how I wanted a man, and I growled deep in my throat. While my left hand caressed my clit, I placed my right hand behind me and grabbed the round flesh of my ass. I imagined my lover's hands all

over me, grabbing my abundant behind, forcing his fingers deep into its cleft. My eyes were now closed as I spiraled deeper into my fantasy.

I pictured him rolling me over, just rough enough, and spreading my plump cheeks wide. I imagined him bending me over, his dick hard with want and ready to thrust it deep inside my asshole. He'd call me his big, tubby girl and grab my rounded belly that hung down in this position. With his spit and my pussy juice, he'd lube me up and make me ready for his hard cock, and then he'd fuck me, deep.

I was frantically pawing at my body now and moaning out loud. By the time I heard the footsteps, it was already too late. I was wrapped up in the biggest orgasm of my life, and I couldn't stop it. My hips were off the chair, and my legs were spread so wide that my inner thighs were starting to cramp, but my climax was great and explosive.

Someone cleared their throat and said, "Ummm...aloha."

My eyes flew wide open. A young man stood at the door of my porch–a young, very attractive Hawaiian man balancing a tray on one hand. The tray was laden with a bowl of fresh fruit, one frosty glass and a bottle of champagne. I hastily picked myself up off the chaise lounge and grabbed my silk robe. I was highly embarrassed and kept muttering to myself, "Oh my, oh my!" The young man just smiled.

"I'm so sorry for disturbing you, miss, but when you failed to answer the door, I thought the room was empty. These are compliments of the Poipu Beach Resort." He seemed unfazed at my wanton display, but his dark eyes held merriment. I decided to act nonplussed as he placed the tray on the table that was beside my lounger. That's when I noticed his hard-on. The boy had a boner, and my pussy flushed beneath my robe once more. I decided to do some heavy flirting. What the hell. I just had the most intense climax of my life, and I was horny for more. Only, this time, I wanted to get a real dick.

"Thank you, this is very kind," I said as I took a kiwi from the silver plate and lifted it to my nose. "Mmmm," I said. "Smells delicious. Would you like some?" I held the sweet fruit up to him and let my robe slip a little.

"No, thank you, miss," he replied. His accent was lilting and full of Hawaiian song. "But, I can pour you some champagne." He deftly corked the bottle and poured some of the bubbly. He offered me the full glass.

"Mahalo," I thanked him in Hawaiian. "What is your name?" I took a sip of the sparkling wine.

"Kimo," he said.

"Well, Kimo, my name is Noelani. I'm so pleased to meet you, even though you caught me in a private moment." I was shameless.

"No problem. You know, your name means 'beautiful girl from heaven' in Hawaiian."

"Tell me, Kimo, do you find me beautiful?" I asked.

"Very beautiful," he whispered, "Like a pua poluna."

I laughed low and sexy. "You just called me a chubby flower!" I let my robe slip off my shoulders and exposed my tits for him. He put the bottle of champagne on a small table and stood directly in front of me. His bulge stood out and strained against his shorts. I placed my hand on his hardness and caressed him through his pants. Kimo gasped and placed both of his hands on my heavy, hanging breasts.

"My asshole is virgin tight. I'm still looking for the right man to fuck my ass."

The line of volunteers starts in Miami, Florida at the XL Girls HQ, and, looking at Kaitlin's rump, would probably extend to Seattle and across the Pacific. Only, who is Kaitlin's "right man?" "Well, he needs to be big to get in there. My ass is so big and round, I don't think you'd be able to get in there," says an honest and very uninhibited Kaitlin, who figures if she's going to take the high-hard-one in her cornhole, it better be awesome. "Oh yeah, if I'm going to do it, I want it to be as raw as ass-fucking gets. I want to cum so much I pass out. I want to get fucked so hard I won't be able to ride a horse for a month!" She sure wants a lot. We hope Kaitlin gets it, butt good!!

"Tug my nipples and get your face deep in my pussy. And take a deep breath before I get off because I can cum forever!"

In other words, Kaitlin is your multi-orgasmic type. As she told us, Kaitlin has big-assed orgasms where her thighs shake, and her cunt juices and her hands have a tendency to grab a guy's face and bury it in her meaty pussy until she stops cumming. Sometimes it's 30 seconds, most times it's a minute. Then, if you tug her nips real hard or give her twat a lick, she'll have upwards of 10 more orgasms, all of the intense, face burying type where you'll both be screaming...out of sheer pleasure.

should be "every-girl" sex.

Pua Poluna

Continued from page 32

"So big," he said as he lifted each tit up and brushed his thumbs against my hardening nipples. I shivered and ground my cunt into the soft pillow on the chaise. I asked Kimo if he had to get back to work, but he just kept smiling down at me, tugging on my breasts.

"Work can wait," he said, and I proceeded to unbuckle his pants and grab his cock.

As I slipped Kimo's shorts down over his hips, he pulled my head closer to his hot bulge. I could smell his manly musk through his briefs, and I slipped them down, too. His cock sprung out and oh my, oh my, it was beautiful. It was long, thick and cocoa colored. I took his shaft in both of my hands and stroked it up and down. Kimo growled as I licked and kissed the length of him. Finally, I engulfed him in my mouth, almost choking-he was not only long, but very thick. Kimo's hips moved toward my face in that ancient rhythm, and his gentle kneading of my breasts became harder, more urgent.

I opened my mouth wider in order to take him deep into my throat, gulping at his cock with tiny sucking motions. Kimo moved his hands from my naked breasts and placed them both at the back of my neck. He grabbed a fist full of my hair and pushed me hard against his groin. I could barely breathe, but I didn't care. I was getting what I wanted–a mouth full of hard cock.

Kimo moved his hands from my hair and grabbed at my tits again. He moved down just a little and then clutched my round belly.

"So plump and soft," he whispered. "Like a goddess." I stopped sucking him and looked up and smiled. I moved away from his thrusting hips, his cock, and let his eyes feast on my abundant flesh. By now my silk robe was off, and I lay back on the chaise.

Kimo bent down and took his shorts and briefs off. He moved over me and lay on top of my body, but held himself up so that our bodies were only touching at the groin. He thrust his hips down and pushed his cock hard against my belly and then lowered his mouth to my weighty breasts. While Kimo sucked and licked my tits, I savored his hardness that was losing itself in the folds of my flesh.

"Fuck me!" I said. "Please, I can't stand it anymore! Fuck me!"

"Oe ku' n pua...you are my blossom," Kimo replied as he lowered him-

self onto my body. His cock slid effortlessly into my slippery, wet vulva and rippled against my throbbing clit with each stroke. Kimo's mouth bore down hard on mine, and he kissed me with desire. The weight of our bodies pounded down on the chaise as I received the best fucking of my life.

"Deeper," I cried out. "I want you deep inside of me!" Kimo replied by grabbing both of my ass cheeks off the chaise and pulling me closer onto his thrusting cock. The sweat of our bodies made us both slippery, and the smell of our lovemaking filled the lani. I knew I was about to cum. Kimo kept on fucking me, roughly pulling at my tits, telling me how fat and luscious they were. I was so turned on by his obvious approval of my very womanly body.

I screamed out once more, "Kimo, I'm going to cum. Cum with me!" He pumped inside of me much faster and groaned. It was so primal, like sheer jungle sex. I felt as if my whole life force was pouring into this man, making him push down on me harder. When I finally came, I dug my long nails down his sweaty back. Seconds later, Kimo came, pulling his hardness out of me and spurting his spunk all over my jiggling body. I rubbed it into my skin and lifted

told me, "You're beautiful. You're perfect. You're exactly what this magazine loves." I thought about it and said, "What the hell." Well, you all liked me, and now, not only have I been in *Voluptuous*, but I'm in *XL*, too! Like I said, is this a great world or what? *XL GIRLS:* Do you dance? **ASPEN:** No, never. I'm just a regular

ASPEN: No, never. I'm just a regular girl. I work for a warehouse company. I work in an office in Oregon.

XL GIRLS: Just a lady-next-door?
ASPEN: That's me. But, you know
what? Ladies-next-door are horny, too!
XL GIRLS: Thank gawd for that! Only,
we don't see many girls-next-door who
look as hot as you.

ASPEN: I do have some things going, don't I? I have the boobs and the butt. XI GIRLS: You really have the butt. Guys are going crazy for your ass! ASPEN: Cool! You know, everybody likes to smack my butt. All my friends do. Guys love to. And I love having it smacked. You know what I really love? XI GIRLS: A lecherous affair with an old-fart, editor type?

ASPEN: (Laughing) Aside from that! I would love a guy who can pick me up and manhandle me.

XL GIRLS: You can't find that?

ASPEN: Well, I'm a big girl. I'm fiveeight, five-nine and big-boned. I'm
over 170, though I don't think I look
like I'm 170, so it's hard to get me airborne. But, I would love that. To have a

"Sure, I'm still real young, but that's great! Anybody out there want to make a woman out of me?"

You want to know the best thing about young gals? They haven't been fucked a lot! Hey, that's as simple as we could get, but it's a fact. True, Maria has been around the block more than once. But, when you get a hot, young gal with great guns and compare her pussy condition with a hot 30-something gal, we're going for the fresh garden, no boners about it. The twat is tight and pink. The boobs are fresh and firm. The asshole is pristine and puckered. And the sex takes you back to the days when you were young. You wanna talk about the definition of a fantasy girl? Maria is just that!

Continued from page 62

ASPEN: (Sheepish silence) Thank you. I don't know what to say. I've always loved sex and been an exhibitionist. I've loved doing it places I might get caught. Dressing rooms in department stores, nude beaches, public bathrooms, restaurant bathrooms, on the side of the highway—I get off on sex like that. I guess that made me a natural for having sex on camera.

XI GIRLS: Now, you can get all bashful if you want, but we have to ask about this ass-fucking thing of yours.

ASPEN: Why would I get bashful? I love anal sex. It's so...dirty! I don't mean in a cleanliness way, either! (Laughing) It really is just the nastiest, dirtiest, raunchiest kind of sex you can have. And, hey, what girl doesn't get off on stuff like that? I mean, that's what sex is. Fuck my ass, fuck my ass hard, make me cum until I get dizzy, and then fuck my ass even harder!

XI GIRLS: Man, I really gotta get to the gym to get those muscles.

ASPEN: (Laughing) Honey, you're so sweet, I'd fuck you without muscles!

XL GIRLS: But, Aspen, I gotta be honest with you, I'm all talk, no guts.

ASPEN: Then, I guess I'm going to have to make a man out of you. (Laughing)

Like I said earlier, I'm just a big flirt.

XL GIRLS: You're so upfront, do the

people back home know about all of this—the posing and the porn.

ASPEN: Actually, they do. They're cool with it, though. I mean, they've all seen my videos and the magazines, and I've become a bit of a mini-celebrity, I guess. XL GIRLS: They're probably all jacking off like madmen.

ASPEN: Now I'm getting horny. XI GIRLS: You know, I hear that from a lot of chicks, that they like the idea of guys jacking off, but a lot of times I think it just might be a line. You know, telling a guy what he wants to hear. ASPEN: (Laughing) No way. Let me put it another way. How many guys get off watching women play with themselves? Pretty much all of you, right? Well, it goes both ways. If you tell me a thousand guys are going to get off to my pictures, oh my, that just gets me wet thinking about it.

XL GIRLS: Well, Aspen, break out some Bounty, because it's not a thousand guys. It's more like tens of thousands. **ASPEN:** Now I'm going to be the one in the bathroom!

XL GIRLS: Hey, we have something in common! Enjoy yourself!

ASPEN: Oh, don't you worry about me. I will. You, too. Bye, now.

Yee-haw! Black Beauty Emage is here for another roll in the hay!

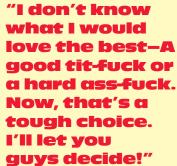

All righty, boys, Emage is back in *XL Girls*, sportin' some kind of western get-up, which we guess is cool for all of you guys trying to live out some kind of fantasy. What does Emage think? "I'm just a big-titted, black chick from the 'hood who likes to get naked!" Now, that's *our* fantasy girl!

That's what we love about Emage-she's so easygoing. Fuck her tits, deep-dick her throat, slam her pussy or pack her asshole-it's all good for this tri-sexual who has tried just about everything. "I ain't fucked all of the Yankees yet, but you know how it is, a girl can't have everything." Strange words for someone who has just about everything a guy could want. But, hey, life isn't perfect, even for someone as close to perfection as Emage. "Actually, what would be perfect is if every guy looking at my pictures sprayed their cum all over my tits and ass!" Emage told us, actually doubting that it would happen. C'mon, girl, is that all you need to make your life complete? Fifty thousand cum-shots? No problem!

See Wonder Tracy fucking the jizz out of a lucky stud in the Video Pick *Thick Chicks On Dicks* on Page 10!

Seeing Wonder Tracy fuck, well, we gotta be honest with you. It isn't quite like they do it in those Hollywood R-Rated, erotic movies. This isn't foo-foo glamour, loveydovey, sensually passionate stuff. No, when Wonder Tracy gets a hold of a big dick, it's...fucking! Hard. Loud. Steamy. Orgasmic. Fucking. Sucking. And even more fucking. In case you haven't already figured it out yet, there's nothing subtle about this Hungarian-born, Floridaliving BBW. She's loud. She's exhuberant. She's a helluva fun broad to be around. And most of all, well, if we've said it once, we can keep on writing because it's true, Tracy is...a wonder!

naked! See close-up after close-up of breast oiling ,creaming, and squeezing. These horny, real women pack huge breasts in need of relief-which they get using their fingers and sex toys.

Pua Poluna

Continued from page 46

my hand up to my mouth for a taste.

"Mmmm," I said. "Delicious."

Kimo got up and sat next to me on the chaise. He was breathing heavily, and he took my hand in his.

"A hui hou kakou...'til we meet again, my big, beautiful girl." I giggled in reply and tried to stand, but my legs were too wobbly. Kimo stopped me.

"No, my pua poluna, you rest. I will see you tomorrow on da beach, yeah?"

My reply was to lie back down on the chaise and smile up at him. "Tomorrow, then," I sighed. With that, Kimo put his clothes back on and left. I couldn't wait for the sun to rise.

Breakfast was eggs and kiwi muffins that were just as good as my Mom's, pineapple and wonderful Kona coffee. Fully fueled for Kimo, I made my way to the beach. I was dressed in a flowing, flowery print sarong that I had bought from a boutique in NYC's Upper East Side. The ocean was magnificent and turquoise in color, and the sand was pure white. As I set myself up on a chaise lounge beneath an umbrella, a hostess appear-ed with a tray of fresh papaya juice. I gladly took the offer and thought to myself, "Ahhh, this is the life."

I immediately immersed myself in a novel that I had brought from home. It was a devilish, devious tale of lust, murder and revenge. I quite liked the heroine of the story. Her passion for lovemaking reminded me of myself. Just as I was getting to another juicy part, a shadow blotted out the sun.

"Noelani, aloha kaka hiaka." It was Kimo, all tall, dark, handsome and glistening with water from the sea.

"Well, a good morning to you, too," I replied and smiled up at him, real wide. I was truly happy to see him again and so was my pussy.

We frolicked all day in the Hawaiian surf. It was Kimo's day off, but he came back to the resort just to see me. At one point our play became quite passionate as Kimo ran his hands all over my body. "Such curves," he mused as he rubbed my bottom beneath the water.

"Would you like to see my house, my beautiful Noelani?" he asked. I just nodded my head in assent. We made our way off the beach and into his jeep.

Kimo's house was on a vast, craggy bluff. It overlooked a beautiful expanse of ocean on Kauai's Southern shore. IT had a small lani, like most Hawaiian homes, and some of the rooms had sliding walls that opened up to nature. It was modest, but magnificent at the same time. Flowers surrounded me wherever I looked, their colors all bright and glistening with rainwater from the sun shower that had occurred a few moments earlier. Kimo took me in his arms and kissed me deeply. He then led me past the lani to an outdoor shower made of bamboo and teak. "Let's wash that sand off your beautiful body," he said.

I stepped up into the confines of the small shower with Kimo right behind me. He peeled off my bathing suit, and I stepped out of it. When I turned to face him he was already naked-and hard. He took a large bar of sweet smelling soap and began to lather up my shoulders and boobs. I threw my head back as he lowered his mouth to my breasts and began to suckle my nipples. Kimo put the bar of soap on the small ledge provided and moved his hands slowly down my plump curves. His hands were slippery and felt so good. His fingers explored my vulva, and I pushed my body closer to him. Kimo was firm and muscular, and I caressed his body with delight. When Kimo kneaded my fleshy buttocks, I grabbed the bar of soap. I lathered up my hands and began to explore his ass. His fingers slid in and out of my pussy, and I gasped with the pleasure of it. I dropped the soap, and we both chuckled. I placed my own fingers by his asshole and inserted an index finger. Kimo moaned very loudly and pushed his cock against my belly, which curved out. "I love your soft skin," he whispered. "Your big thighs and your breasts are my mounds of desire."

"Fuck my ass, Kimo," I replied.

I turned and braced myself against the wall of bamboo. Kimo took a bottle of lotion and squirted some on his hands. It smelled of fresh melons, and I loved it. His fat, hard cock pushed against my lower body, and he began to knead the sweet lotion on every part of me. My flesh shivered with sheer pleasure. My breasts, belly, cunt and ass were covered with sweet, sticky lotion. My pussy was engorged, and Kimo took his time, pleasure my cunt with his fingers and teasing my clit.

His hands began to knead my big, round asscheeks, parting them wide for his cock. I widened my stance. "Mohala," he said to me, "Open like a flower." And I did. I wanted his cock deep in my ass, and I told him so. At first he was gentle, entering my hole with just the tip of his penis.

"Give it to me now!" I cried, and he plunged deep inside of me.

Oh, the joy. The ecstasy of his movements whipped me into a frenzy, and I moved back against his thrusting body. His left arm braced me and his hand played with my left breast. His right arm was wrapped around my waist, and his other hand played with my pussy. He was groaning as he spread me wider and wider. I thought I would die at that moment, and if I did I would have been very happy.

Kimo's cock slid in and out of my asshole. He took me to an ancient place, and we both grunted with the sheer animalism of the sex.

"I love to watch your ass shake each time I thrust inside of you," he gasped. "Your body was made for this, Noelani, you big, beautiful girl." Kimo was truly the master of ass fucking. He knew when to push in nice and slow and also when to be a bit more hard and savage. My fantasy from the night before was coming to fruition, and I loved every minute of it

His words and fingers brought me closer to the edge. I felt his cum shoot straight up inside my ass even before he shouted that he was cumming. He pulled out of me, and I turned to watch the last few spurts of pearly liquid that dribbled out of his cock. It was beautiful. He immediately bent down and got on his knees. He spread my juicy pussy lips apart, placed his mouth on my clit and brought me to another explosive climax. Afterwards we both just stood there in the shower, water cascading all around us. He kneaded my belly and breasts once more.

"Oe ku' n pua...you are my blossom," he said.

"I love when you speak Hawaiian to me, Kimo," I replied, and then added, "Hana hou?"

"You want to do it again? Of course we'll make love again, my beautiful Noelani. But, later I get to fuck those plump breasts of yours!"

We laughed as we made our way back to Kimo's lani. What a beautiful way to spend a vacation!

"I love to jerk my man off while he looks at big, beautiful women in magazines!"

We've actually known Donna since before XL was first published. Back in 2000 and 2001, Donna used to write dirty letters to the editor of our parent mag, Voluptuous, telling us how much she loved to look at the pictures while her husband fucked her tits. How she loved to stroke his cock while he shoved big dildos in her pussy until he shot a greasy load all over her rack. How she liked to get fucked doggie-style, with the magazine spread on her back and her husband slapping her ass as he fucked her. How looking at pictures of other big, beautiful, bodacious women gets her so wet, her love juice dribbles all the way down to her feet. How...well, you get the idea. Donna is a dirty girl, and we wouldn't have her any other way!
